PTUJ – WHERE BUSINESS AND GOOD COMPANY MEET UP

GRAND HOTEL PRIMUS

SAVA HOTELS & RESORTS

PTUJ is considered to be one of the most beautiful cities in Slovenia, boasting an immense cultural and historical heritage. With the construction of the new Grand Hotel Primus it has finally gained the possibility to develop a congressional and conference tourism which will definitely attract such type of guests.

GRAND HOTEL PRIMUS within the Ptuj Spa Resort has been named after the famous Roman Empire general Marcus Antonius Primus who carried Ptuj's name into history. Since we wished to give the hotel an atmosphere of ancient times, you may rest assured your educational or professional experiences will be surrounded by Ancient Roman splendour.

ROOM EQUIPMENT

The rooms present a magnificent view on Ptuj's Castle, the golf course or the forests of the Mariborsko Pohorje. All rooms are provided with cable television and LCD TV screen, internet connection, a telephone,

a safe, a mini bar and a bathroom with a massage shower. Most rooms have a balcony, the »superior« ones (suites and senior suites) even have thermal water in the bathroom. The most demanding guests can choose among three luxury apartments with a whirlpool, a sauna, a large bathroom and a terrace, a living room and a bedroom.

GRAND HOTEL PRIMUS PTUJ'S BUSINESS CENTRE

The Ancient Roman atmosphere surrounding the Grand Hotel Primus's image and offer will give a special touch to your meeting. We have two day-lit conference and two day-lit seminar rooms with a beautiful view of Ptuj and its surroundings for the organization of different high-level conference events. Multifunctional conference halls, meeting rooms and the Gemina XIII Club can accommodate from 20 to 250 people. Up-to-date technical equipment guarantees both the organizers and the participants an excellent realization of most different events. Our staff can be relied upon for their expertise whenever the organization of events requires help

and advice. And they may also be entrusted with the organization of special events such as fashion shows, tastings, Roman dinners, cultural events etc.

TECHNICAL EQUIPMENT

The Tacitus Hall – LCD, CD, DVD, speaker system, projection screen. The Cicero Hall and seminar rooms – LCD, projection screen. The use of the wireless internet connection is everywhere for free: in the conference and seminar halls as well as in the hotel lounge. Flipchart boards, equipment for simultaneous interpreting and additional technical equipment are provided on request.

A common goal and Ptuj's positive energy will bring about the success of your event.

CONFERENCE CENTRE

Conference Reception Desk

In front of the Tacitus and Cicero conference halls there is a conference reception desk provided with internet connection and a cloakroom and where accreditations, welcomes, presentations of conference contents etc. take place.

The Tacitus Hall

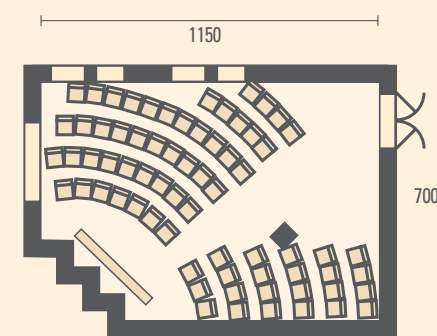

The capacity of the Tacitus Hall (Tacitus I and II) is up to 250 people and it can be divided in two equivalent rooms. It has a direct access to the hotel restaurant on one side and the hotel reception with the bar on the other. A further value to the Tacitus Hall is given by the direct access to the Gemina

XIII Club where breaks between events or other refreshment services can take place.

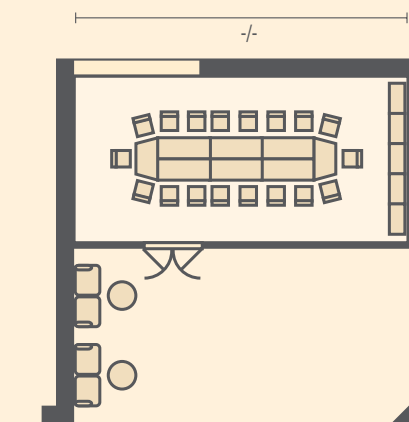

The Cicero Hall

The Cicero Hall can hold up to 60 people. It is located near the Tacitus Hall and the entrance is from the hotel lounge.

The Meeting Rooms

The Primus Grand Hotel contains, besides the conference centre on the ground floor, two meeting rooms with the capacity of 30 participants situated on the first and second floor.

The Gemina XIII Club

The hotel's conference activity is excellently completed by the Gemina XIII Club, an appropriate place for closed group events or social gatherings, fashion shows, presentations, awards etc.
