Natural and cultural attractions

Famous Radenci mineral water bottling plant ● 2,3 km
Visit the Radenci bottling plant to discover 140 years of tradition. Hear the joyful burbling of bubbles and taste natural mineral water. Visits possible with previous reservation. www.radenska.si

Radgonske gorice Wine Cellar and sparkling wine tasting ● 7 km
The Radgonske gorice winery has been making and storing sparkling wine in its unique cellars since 1852. The pride of the company is Radgona Gold, the oldest sparkling wine in Slovenia and the wine with the most awards. www.radgonske-gorice.si

Radgonsko-kapelske gorice ● 7 km
The wine-growing territory of Radgona-Kapela spans a narrow belt between the right bank of the Mura River and the Ščavnica River. The diverse hilly relief is traversed by a Tourist Wine Route, offering a selection of quality wines from Radgonsko-kapelske gorice and typical local specialties at farms and wineries.

Kapelski vrh with the Church of St. Mary Magdalene ● 7 km
Kapelski vrh is one of the most popular hiking points in Radgonsko-kapelske gorice. At the highest point stands a Kapela (chapel in Slovenian), a parish church with a wonderful view of the surroundings.

St. Ana Chapel in the resort park ● 150 m
The St. Ana Chapel in the resort park was built in 1895 by the widow of Roman Henn, whose father discovered the first mineral water spring in 1833. The chapel is a beautiful example of neo-gothic architecture from the turn of the century.

The Copek mill ● 5 km
The Copek mill in Mačkovci is one of the five surviving mills on the Črnc stream. Undiscovered during WWII by the enemy, it continues to stand in the shelter of ancient trees.

Garden of Remembrance and Comradeship in Petanjci ● 5 km
The garden was designed as a WWII memorial. Almost 500 trees grow on 1.5 hectares, from native Prekmurje plants to plants from all over the world. www.dr-siftar-fundacija.org

Natural and mineral springs of Pomurje ● 8 km
Slovenske gorice and the land along the Mura River are rich with numerous natural mineral water springs. The famous Radenci springs are linked into the Trail along the Springs of Life. www.hiking-biking.eu/pot-med-vrelci-zivljenja.aspx

Mineral water spring Nuskova ● 24 km

The mineral water spring in the Nuskova village was discovered around 30 years ago, during the drilling of large bores. There is a rest stop for hikers and cyclists near the spring.

Negova Castle € ● 14 km

The Negova Castle was rebuilt from a wooden hunting mansion in the 11th century and expanded in 15th century. Next to the castle is an abundant herb garden. www.gradnegova.si

Lake Negova and Negova Nature Park ● 12 km

Lake Negova is one of eleven castle ponds, which played an important role in defence against Ottoman incursions. Only three of the ponds remain to this day.

Backwaters of the Mura River and Educational Forest Trail ● 14 km

The forests along Mura and the Mura backwaters at Veržej are a true wonder of nature. The educational forest trail along the Mura River banks will make your family outdoor trip even more interesting. Guided tours only.

Island of Love and a return to the tradition of bújraštvo ● 20 km

You can visit the museum of bújraštvo (traditional craft of fortifying and damming the riverbed of the Mura river), discover the floating mill on the Love island, or walk along the river bank in the shade of poplar and tulip trees. www.izakovci.si

The healing energy of Lake Bukovnica ● 30 km

Many healing energy points in the shade of trees around the lake will improve your health and wellbeing. Local legends also tell of the healing water from the St. Vitus spring by the St. Vitus chapel in the woods. www.bukovniskojezero.si

Rakičan Mansion ● 15 km

This baroque mansion is surrounded by an English garden with an educational trail. Today, the mansion is home to the Research and Education Centre. www.ris-dr.si
