

Terme Ptuj

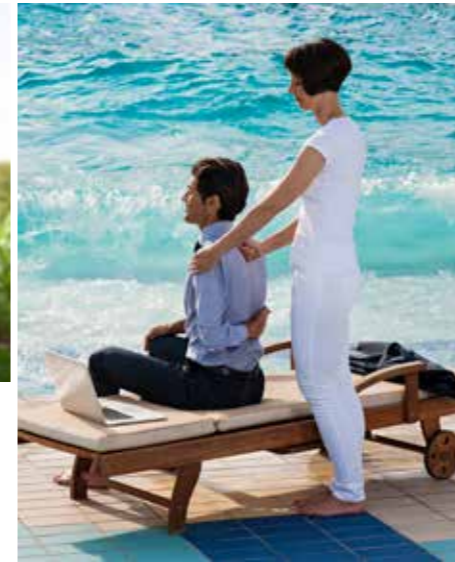

A perfect vacation for a fresh motivation

Pampering or activities to improve your physical condition? At TERME PTUJ we say: Both! Counting the swimming strokes in the water park and basking in the Ptuj thermal water. Golfing and sauna sessions. A morning run and a relaxing massage. Yoga and a rejuvenating treatment. Cycling and reinvigorating baths. At TERME PTUJ we know that, like the heroes of ancient Rome, modern-day heroes – used to the fast pace of life – swear by active regeneration. With that in mind, we offer a wide range of activities for recreation and relaxation, as well as delicious food for better health and well-being.
