Terme Ptuj reserves the right to make changes to opening hours and services at any time. All changes will be announced on the website and at the entrance to the Thermal Park. The services have been tailored to the hygiene recommendations of the National Institute of Public Health (NIJZ) therefore the number of visitors is limited. The Thermal Park Saunas can also be used when purchasing a swimming-pool ticket. The last admission to the swimming pools is 1 hour before the Thermal Park closes. We would like to inform you that according to the NIJZ guidelines, the number of swimmers is limited. Thank you for understanding. Any changes in opening hours based on NIJZ recommendations will be published later on the reception of Thermal Park and our website. We reserve the right to change prices and terms of sale. All prices are in EUR and include VAT.
