

# EXPERIENCES IN THE SURROUNDING AREA

## *Health Resort Zdravilišče Radenci*

Here are the best tips for some unforgettable trips in the land that makes your heart skip a beat – **Prekmurje!**

We are sure you will find plenty of ideas for trips that will stay with you for a long time. Many of the trips that you will find in the brochure are organised; for more detailed information, please contact the reception staff or our entertainment coordinators who will be happy to give you useful tips. If you are going on an individual trip, we recommend that you check the opening times and information about possible entrance fees.

**We wish you an unforgettable holiday and unique experiences!**

**ZDRAVILIŠČE RADENCI**

SAVA HOTELS & RESORTS

# NATURAL AND CULTURAL ATTRACTIONS

## The famous Radenci mineral water bottling plant

2.3 km

Since then, the Radenci mineral water has become a popular brand in Slovenia and around the world. Visit the bottling plant to discover 140 years of tradition, hear the joyful burbling of bubbles and taste natural mineral water. Guided tour by appointment.

[www.radenska.si](http://www.radenska.si)

## Radgonsko - Kapelske gorice

7 km

The Radgona-Kapela wine-growing region covers a narrow strip from the right bank of the Mura to the Ščavnica River. A wine road runs through the rugged hilly terrain, offering a quality selection of Radgona-Kapela wines and typical local cuisine at excursion farms and wineries.

## Radgonske gorice cellar with sparkling wine tasting

7 km

Radgonske gorice has produced and stored sparkling wines in its extraordinary cellars since 1852. The pride of the company is Radgona Gold, the oldest and most awarded sparkling wine in Slovenia. Bottles of Radgona Gold mature in the oldest known sparkling wine cellar in Slovenia.

[www.radgonske-gorice.si](http://www.radgonske-gorice.si)

## Kapelski Vrh with the Church of Mary Magdalene

7 km

Kapelski Vrh is one of the most popular excursion points in the Radgona-Kapela hills. On the highest point, Kapela, stands the parish church with a view that stretches far and wide.

## St. Anne's Chapel at the Health Resort Park

150 m

The Chapel of St. Anne in the health resort park was built in 1895 by the widow of Roman Henn, whose father discovered the first mineral spring in 1833. The chapel is a fine example of turn-of-the-century neo-Gothic architecture.

## The Copek Mill

5 km

In the small village of Mačkovci stands one of the five surviving mills on the Črnc stream. Never discovered during WWII by the enemy, it continues to stand in the shelter of ancient trees.

## Island of Love and a return to the tradition of the "būjraši"

20 km

You can visit the Būjraši-Museum, the floating mill on the Island of Love or take a walk along the riverbank among the poplars and tulip trees.

[www.izakovci.si](http://www.izakovci.si)

### The Garden of Remembrance and Comradeship in Petanjci 5 km

The garden was created as a symbolic reminder of World War II. Nearly 500 trees have been planted on 1.5 hectares of land, some that are indigenous to Prekmurje and others introduced from all over the world.

[www.dr-siftar-fundacija.org](http://www.dr-siftar-fundacija.org)

### Pomurje Natural and Mineral Springs 8 km

The Slovenske gorice Hills and the Mura region boast many natural mineral springs. The famous springs of Radenci are linked by the "Springs of Life Trail".

### Nuskova Mineral Spring 24 km

Around 30 years ago, while drilling several boreholes in the area of the village of Nuskova, a deposit of natural mineral water was discovered. There is a stop for hikers and cyclists at the spring.

### Negova Castle 14 km

Negova Castle was converted into a castle from a wooden hunting mansion in the 11th century and expanded in the 15th century. Next to the castle, there is an abundant herb garden.

[www.kultprotur.si/sl/grad-negova](http://www.kultprotur.si/sl/grad-negova)

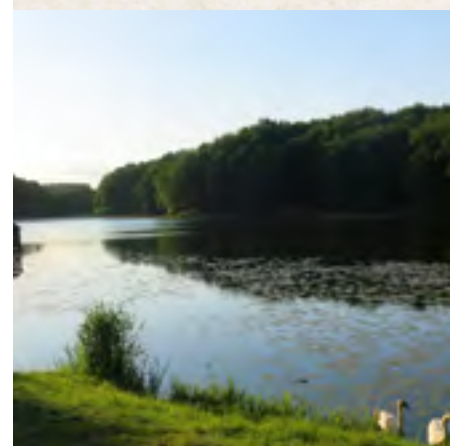

### Lake Negova and the Negova Nature Park 30 km

Lake Negova is one of eleven castle ponds that were once of great defensive significance during the Turkish invasions. Of the eleven that once existed, only three remain today.

### The Backwaters of the Mura River and the Educational Forest Path 14 km

The meadows and backwaters of the Mura River at Veržej are a true natural gem. The educational forest path along the banks of the Mura and the backwaters offers an educational family outing in nature. Guided tours are possible.

### Rakičan Manor 15 km

The Baroque mansion is surrounded by an English park, through which a nature trail leads. Today, the mansion is a research and education centre.

[www.ris-dr.si](http://www.ris-dr.si)

### Lake Bukovnica and the Energy Points 30 km

Shaded by trees, there are a number of beneficial energy points around the lake to improve your health and general well-being. Next to the Chapel of St. Vitus in the woods is the well of St. Vitus, with – according to folk tradition – healing water.

[www.bukovnikojezero.si](http://www.bukovnikojezero.si)
