UNFORGETTABLE EXPERIENCES FOR CYCLING AND HIKING ENTHUSIASTS

Mura Cycling Route – Murradweg 453 km
The Mura Cycling Route is one of the most scenically varied Alpine cycling routes along the river, and its course – slightly uphill and with many culinary highlights – makes it a real cycling pleasure route. It starts in the High Tauern National Park and follows the Mura through Austria's culinary capital Graz to the land of wine and spas in the Slovenia-Austria-Hungary border triangle.

The E7 SLO European Walking Route 27 km
The E7 European Walking route is an international walking route that runs through various European countries, from the Atlantic to the Mediterranean Sea and Lake Garda to southern Hungary. There are four sections of the European walking route E7 SLO through Goričko; they follow the route Moravske Toplice – Kančevci House of Spirituality – Kamenek panoramic tower – Gornji Petrovci – Hodoš. The total length of the route is about 27 km and it takes about 8.5 hours to walk.

The GardEN Energy Path 80 km
The Four Elements Path is a circular route interspersed with strong energy lines connecting the border area of Slovenia and Hungary, suitable for both hikers and cyclists. Along the 80 km route, you will encounter four manifestations of the fundamental energies of nature – water, earth, air and fire.

I have neither the time nor the will 6 km
This safe, flat path around the spa area of Čreta introduces the tourist destination and the golf course, which gives the surroundings a special character. On the way, we recommend taking a break at a typical Pannonian fountain called "čiga", where you can relive part of the past.
Difficulty: light; suitable for families

You have captivated me 29 km
Embark on a journey that will awaken your nostalgia and take you to a magical world of energies. In the Pottery Village of Filovci, you will first be captivated by the traditional thatched-roof Prekmurje houses known as "cimprače" and the pottery craft. Afterwards, you will enjoy the magic of the famous Lake Bukovnica. There are bioenergy points along the lake near the Chapel of St. Vitus: the most energetically powerful area in Europe. Try the water from the well of St. Vitus, which – according to folk tradition – is said to restore sight.
Difficulty: moderate

The Hillside Journey 16 km
Goričko is ideal for exploring by bike, as it is not too busy, not too steep and not too crowded. Small farms preserve a view of a world that is slowly disappearing. The beautiful, sun-drenched hills will fill your heart with joy. Along the way, you can visit the Church of St. Martin in Martjanci with frescoes by Johannes Aquila, and taste real local ham and other delicacies.
Difficulty: moderate; suitable for those looking for traffic-free roads

Legend: € Label for paid admission Length of route

The Sweet Trail 8 km
The Goričko Nature Park has launched a hiking trail that brings together local craftsmen in Ratkovci, Berkovci and Ivanjševci. Its products, which are mostly sweet treats, have given it the name The Sweet Trail. Visitors can learn about the centuries-old tradition of honey-making, beekeeping and cheese-making, as well as see a cultural and technical monument – a stream mill built in 1930. The trail partly follows the Pomurje Hiking Trail.
Difficulty: moderate

The Take Time for Your Heart Trail 5.5 km
The Panvita Heart Trail runs through the heart of Panvita's fields, with a forest in between. It is dedicated to Nordic walking, which is one of the most popular and preferred forms of recreation for many reasons: it strengthens the whole body and is safe, affordable and suitable for people of all ages and fitness levels.
Difficulty: moderate

The Martjanci Trail 6 km
The Martjanci Trail takes you to one of the most beautiful cultural monuments in the region – the Church of St. Martin, which is more than 700 years old and from which the town takes its name. On the chimney of the office building next to the church, you will find the famous nest of the White Storks, which return to their home every year. Along the path that will take you between fields and meadows to the neighbouring village, these white birds will accompany you curiously, especially in the summer, and will also give you an unforgettable photographic experience. **Difficulty**: moderate

The Trail of Cultural Heritage 10 km
The route offers an opportunity to admire the rich architectural, historical, ethnological and natural heritage of the landscape. Worth seeing: The Plečnik church in Bogojina, the Gaj, the open-air museum of old thatched roof houses and the pottery village in Filovci, other tourism-related providers and a winery.
Difficulty: difficult

The Pomurje Hiking Trail – Via Pomurje
