SAVA CAMPING

TERME 3000-MORAVSKE TOPLICE

Camping Terme 3000 ★★★★★

Pull up and visit the camp along the southern slopes of Goričko, which is part of the spa & wellness resort and whose infrastructure allows it to welcome guests throughout the year.

Experience friendly Prekmurje

Did you know that there is a dreamy and magical corner of Europe where you can find everything from storks to exotic orchids? Visit us and discover where they live. Time seems to slow down in Prekmurje, giving your soul the opportunity to relax. This is where storks return year after year and so do our guests – people who value peace and activities in nature with a touch of adrenaline.

Here, nature and health walk hand in hand. The beneficial effects of healing thermal water, sports activities, the romantic Prekmurje plains and the friendly locals will take you away from your daily worries and restore your strength.

Water for health and fun

The swimming pools of Hotel Termal and Terme 3000 can be accessed directly from the campsite. Enjoy the 23 outdoor and indoor swimming pools, adrenaline-filled water slides, the training pool, diving pool, pools filled with black thermal mineral water (36-38°C) and children's pools. Sauna enthusiasts can also use the Finnish sauna with a hot tub in the indoor pool area of Hotel Termal free of charge.

Relaxation for the body and soul

The services provided by our Thermalium Wellness Centre are based on the beneficial power of black thermal mineral water and other natural features of Prekmurje. Give us an hour of your time and you will leave our Wellness Centre re-invigorated.

Active and diverse

Terme 3000 offer numerous recreation possibilities, from tennis (4 clay courts), football, basketball (multi-purpose court with artificial grass), beach volleyball, cycling (rent-a-bike available), and hiking to golf on the Livada Golf Course (18 holes), which surrounds the entire health resort and camping complex. We also offer a diverse entertainment programme, which includes activities at the destination and the exploring of the surroundings.

Culinary delights

Enjoy the culinary delights in restaurants and bars in the swimming pool complex and hotels as well as in numerous wineries, which, in addition to the culinary offer of Prekmurje, also serve excellent home-made wine.
