Active regeneration

The fast pace of modern life means that finding balance has become a priority. Terme Ptuj is the perfect choice for that: The combination of physical activities, wellness treatments and healthy, delicious food works wonders. In this quiet, superior-rated hotel with a renowned wellness centre, we take pleasure seriously. Everything is designed to offer total relaxation. Next to the majestic river in the green park across from the hotel, you will find one of the largest water parks in Slovenia. Behind the hotel, there is a veritable garden of Eden – a golf course with inspiring views of Ptuj Castle. Besides the hotel, accommodation is also available in bungalows, which offer all the comforts of a hotel room away from the hustle and bustle of hotels. In the campsite next to the thermal park, there is a mini village of wooden mobile homes shaded by trees. Choose your favourite type of accommodation and treat yourself to thermal pampering near Slovenia's oldest town!
