## Septarian Visit 3 €

Septaria are a special feature of the Thermalium Wellness Centre. Their energy and positive effects additionally contribute to our well-being. It is recommended that you visit the rest lounge with septarian nodules after every service, as this enhances the effect and impact of the service on the whole body. After using services from the price list, we will gift you a free visit. If you wish to further explore the beneficial effects of septarian nodules, we recommend daily visits.
