CAMPING BLED

SAVA CAMPING

Enchanted by Images of Paradise

Visitors to Bled are continually astonished by the beauty of this idyllic glittering lake caressed by lush green shores, the picturesque island, the castle on the cliff, and the majestic Julian Alps and Karawanks in the background.

To truly experience Bled, there are a few things that you have to try (at least once):

- take a ride to the island in a Pletna boat,
- climb the 99-step stone staircase to the Church of the Assumption,
- ring the wishing bell in the church (don't forget to make a wish!),
- treat yourself to a delicious original Bled Cream Cake,
- walk the beautiful promenade encircling the lake,
- visit at least one of the many viewpoints and enjoy the breath-taking landscape,
- take a selfie at the enchanting Ojstrica viewpoint.

Camping Bled

Bled Camping is situated on the edge of the Triglav National Park in a quiet green spot directly on the shore of the Lake Bled. It has a public beach and boat rental facilities.
