PTUJ – A TOWN OF SUPERLATIVES

Terme Ptuj is just a short walk away from Slovenia's oldest town, which was established by ancient Romans. Overlooked by a castle, the medieval Old Town has been fully preserved until the present day. Under its streets lies Slovenia's oldest wine cellar. Ptuj is also the home of Slovenia's largest carnival, known as kurentovanje. The town is located in a wine-growing region, criss-crossed by a number of hiking and cycling trails and dotted with agritourism farms and wine cellars where visitors can sample local food and wine. Also situated nearby is Slovenia's largest ski resort in Pohorje.

THE IMPERIUM OF WELL-BEING

At Terme Ptuj, we will gently remove all trace of everyday stress from your body, and prepare you to meet new challenges. Let the expert staff of the Wellness Valens Augusta treat you in rooms themed according to ancient Rome, the Orient, Japan, Egypt and Thailand. Or relieve your built-up tension in the Flavia world of saunas, which includes an ice cave, and a hot and cold Kneipp bath. Modern beauty procedures for natural rejuvenation and body shaping will ensure that you shine in the most beautiful light.
